

Radiant Heat Kit

For PureFlo ESM and ESM+ PAPRs
Available only in the Americas

All-In-One Respiratory, Head, Neck, and Shoulder Protection

Easily and Cost Effectively Reduce Workers Exposure to Radiant Heat, Sparks, and Splashes

This modular kit easily and seamlessly integrates with any PureFlo ESM and ESM+ PAPR System to provide workers all-in-one respiratory, head, neck, and shoulder protection. With its low profile, modular design, and leveraging the company's industry leading Dual Mirror® aluminized fabric, you're assured of superior performance, durability, and a great value.

KEY FEATURES

Modular Design

Customize coverage levels

Low Profile

Enhances performance

Durable Protective Snood

Made of Dual Mirror Aluminized Fabric

Advanced Secondary Flip Visor

IR/UV Protection and more. Flips up for ease of use. When down, the gold coated visor protects against heats, sparks, and splashes, and damaging IR) and UV light.

Typical Applications

- Metalworking
- Foundries
- Steel and Aluminum Smelters
- Glass Manufacturing
- Ceramic/Porcelain Manufacturing
- Refractories
