Product Description: **COOLING INSERT & VEST**  
 Part Number: **8413-11**  
 Style: **FEATHER ICE**

## GENERAL DESCRIPTION:

Cooling products are designed to protect and provide comfort to workers who must function in environments with excessive heat. Allegro caters to the demands of construction workers, firefighters, welders and factory workers, as well as other applications. The Feather Ice insert has been engineered to provide safe optimal temperature transfer rate, providing a more comfortable and safer cooling. It is ideal for under HazMat suits and other protective clothing.
