

X-plore 5500 Full Face Mask

Experience a new dimension in respiratory protection:
The Dräger X-plore Series

Wherever complete respiratory and eye protection are required, the X-plore 5500 offers you comfort and safety.

The X-plore 5500 full face mask is designed on the basis of proven, reliable technology. The double-layer face seal with triple sealing action ensures reliable protection and a secure, leak-free seal regardless of your face shape.

Other highlights include the easily adjustable head harness for quick and secure donning and doffing of the mask. The large, durable lens and the "swept-back" low profile design provide an unobstructed, wide field of vision.

The X-plore 5500 is available in one universal size to fit different face sizes. Equipped with a safe and easy to use bayonet connection it is compatible with the extensive X-plore filter range.

Discover the benefits of Dräger X-plore for yourself!

Features & Benefits

Face seal	Double-layer face seal with triple sealing action provides reliable protection and a secure fit for various face types.
Bayonet connection	For easy and secure filter attachment. Both filters are inserted in a top-down direction.

DrägerService

Dräger equipment must always be fully operational and safe. DrägerService offers a regular inspection service and is quickly available in the event of malfunction. Your equipment will be repaired and back in operation as quickly as possible. Dräger-Service facilitates the vital flow of information between client and manufacturer.

Dräger Expertise

Since 1889, Dräger has had an outstanding reputation for solving problems in the field of human breathing. Dräger has been deeply involved in the handling of gases, in particular hazard protection and the saving of life in medical and industrial emergencies. Many of the company's 9500 employees are active in research and innovation to ensure that the latest techniques and scientific advances are fully tested before their inclusion in new equipment.

Dräger Worldwide

The Dräger sales and service organisation is spread throughout the world. It comprises more than 25 subsidiaries and associated companies to ensure that Dräger is always within easy reach of its clients and in close contact with all important markets. Dräger's ever increasing market share demonstrates the company's international competitiveness and strength.

Dräger has subsidiaries in the following countries: Australia, Austria, Belgium, Bulgaria, Canada, China, Croatia, Czech Republic, Denmark, France, Great Britain, Hungary, Indonesia, Italy, Japan, the Netherlands, Norway, Romania, Singapore, Slovenia, Slovakia, South Africa, Spain, Sweden, Switzerland, Thailand, Yugoslavia, USA. Additionally, Dräger is widely represented in Central and South America, Africa, the Middle East, the Far East and Eastern Europe.

Quality and Environmental Management

Our mission includes the continuous improvement of our Quality and Environmental Management Systems in accordance with ISO 9001 and ISO 14001.
