Hot-Pack Holder for Draeger-Tubes®

The first “Tube-Warmer” without need for electricity

The Draeger “Hot-Pack Holder” in connection with “Hot-Packs” enables the use of Draeger-Tubes® below the temperature stated in the instructions. All Draeger-Tubes® for short term measurements (excluding: Draeger Analytical Tubes – long size) can be used until – 20°C.

By using the “Hot-Pack Holder” with Draeger-Tubes® you are assured the accuracy of the Draeger-Tubes® as described in the instructions with the added value of temperature control.

Typical applications include:

- Fire-brigades
- Industry
- Military
- Civil defence

Function

- A solution of Potassium-acetate becomes crystallized by a simple click of the starter and heats up immediately
- The “Hot-Packs” transfer the resulting temperature to the Draeger-Tubes®

Advantages

- Cost effective use onsite
- No electrical power needed
- The “Hot-Packs” can be reactivated up to several 100 times by boiling in water or in a microwave

Order list

Hot-Pack Holder, compl. incl. 2 Hot-Packs	83 16 130
Hot-Packs (2 pcs)	83 16 139

DrägerService

Dräger equipment must always be fully operational and safe. DrägerService offers a regular inspection service and is quickly available in the event of malfunction. Your equipment will be repaired and back in operation as quickly as possible. Dräger-Service facilitates the vital flow of information between client and manufacturer.

Dräger Expertise

Since 1889, Dräger has had an outstanding reputation for solving problems in the field of human breathing. Dräger has been deeply involved in the handling of gases, in particular hazard protection and the saving of life in medical and industrial emergencies. Many of the company's 9500 employees are active in research and innovation to ensure that the latest techniques and scientific advances are fully tested before their inclusion in new equipment.

Dräger Worldwide

The Dräger sales and service organisation is spread throughout the world. It comprises more than 25 subsidiaries and associated companies to ensure that Dräger is always within easy reach of its clients and in close contact with all important markets. Dräger's ever increasing market share demonstrates the company's international competitiveness and strength.

Dräger has subsidiaries in the following countries: Australia, Austria, Belgium, Bulgaria, Canada, China, Croatia, Czech Republic, Denmark, France, Great Britain, Hungary, Indonesia, Italy, Japan, the Netherlands, Norway, Romania, Singapore, Slovenia, Slovakia, South Africa, Spain, Sweden, Switzerland, Thailand, Yugoslavia, USA. Additionally, Dräger is widely represented in Central and South America, Africa, the Middle East, the Far East and Eastern Europe.

Quality and Environmental Management

Our mission includes the continuous improvement of our Quality and Environmental Management Systems in accordance with ISO 9001 and ISO 14001.
